

Re-Elect Chuck Mack Western Region Vice President

Profile

After 30 years of serving Teamster members and their families, Chuck Mack has built a reputation for integrity and hard work. The membership of Local 70, one of the toughest and most militant, know best when it comes to Chuck. They have continually supported him for Local Union office, and now, in his reelection effort to the General Executive Board.

Chuck Mack, a Vice-President candidate on the Hoffa Slate, brings with him the banner of experience and the scars of leadership.

- Elected Local Union Business Agent and Officer for over 30 years.
- Elected Joint Council Officer and President for over 20 years.
- Chairman, Joint Council 7 Freight Negotiating Committee.
- Led the fight for the "Rule of 80" Pension benefits.
- Spearheaded the Watsonville Canning strike and victory.
- Stopped Safeway Stores from outsourcing 800 Teamster jobs.
- At the forefront of empowering women and minorities within our Union
- Director of the Teamsters Port Division

Chuck has created a standard of leadership that has served the Teamsters and its members well.
